

# THE JACK HUNT ACADEMY COMMUNITY UPDATE

*Keeping you informed, engaged, and connected with life at Jack Hunt Academy*

## Celebrating Learning, Languages & Community

Dear Parents and Carers,

What a fantastic week it has been here at Jack Hunt Academy. The classrooms and beyond have been buzzing with activity, and there have been plenty of opportunities to celebrate the achievements of our students both inside and outside the classroom. One of this week's biggest highlights was without doubt our Prospective Parents' Evening. We were absolutely delighted with the incredible turnout, with families filling the school from start to finish. Every subject area put on a wonderful display, with staff and students working together to showcase the very best of what we do at Jack Hunt. From creative displays to interactive activities, the atmosphere was one of excitement and pride. Thank you to all the student helpers who made the evening such a success, the feedback we have already received from families has been overwhelmingly positive.

Today we also celebrated European Day of Languages, which brought colour, culture and creativity to every corner of the school. The MFL department led a brilliant programme of activities, including a baking competition, where students produced amazing cakes and treats inspired by different countries. There was also a writing competition that gave students the chance to showcase their creativity in another language, and a wonderful highlight in the main hall where Urdu students taught dance to younger language learners, an activity that was thoroughly enjoyed by all involved and brought a real sense of fun to the day.

To top it all off, we were thrilled to learn that our students' hard work in the Language Nut online competition has pushed us up the national rankings to an impressive 11th place out of more than 3,000 schools! A truly fantastic achievement.

# SPORTING HIGHLIGHTS

Our football teams continue to shine in the English Schools FA Cup. The Year 9 boys showed real resilience and determination in a thrilling 4-3 victory against St Peter's, booking their place in Round 2. Not to be outdone, the U15 boys produced an outstanding performance with a dominant 8-0 win over Neale Wade, also progressing to the next stage of the competition. Both teams represented the school brilliantly, and we are extremely proud of their efforts and teamwork

# NEWS & EVENTS

Amazing efforts from across the curriculum, as well as from our student helpers, for Year 6 Prospective Parents Evening event

Student's Baking Competition Entrees

## Y7 - 11 Flu Vaccines | 13 October

The flu vaccine will be taking place in school on Monday 13 October. An Edulink message has been sent to parents and carers of students in Years 7-11, which includes links to the relevant information documents. These can also be accessed on the Edulink noticeboard. Please do take the time to read these and complete the necessary forms.
