Exploring Enrichment and Opportunity at JHA

Dear Parents and Carers,

It has been another busy and exciting week at Jack Hunt, full of opportunities for our students to shine both inside and outside of the classroom.

Broadening Horizons

Students have had the chance to enrich their learning through a range of experiences:

- Our Sixth Form students visited a University and Apprenticeships Fair, helping them to explore future education and career pathways.
- Students from Music enjoyed a trip to the Birmingham Symphony Orchestra, where they experienced live classical music at the very highest level.

These visits are part of our commitment to providing students with opportunities that inspire them to aim high and explore the wider world.

As part of our ongoing celebrations for the European Day of Languages, we ended last week with something a little different: Henry Mayacen led a salsa session in the main hall for staff. It was a wonderful way to round off our celebration of cultures and languages, and we thank Henry for his energy and enthusiasm.

Next week, we are proud to be hosting the Peterborough Education Awards here at Jack Hunt Academy. This event celebrates educational excellence across the city, and we are delighted to provide the setting for such an important occasion.

As always, thank you for your continued support. Together, we can ensure that our students not only achieve academically but also grow into confident, well-rounded young people who take pride in being part of the Jack Hunt community.

Warm regards,

The Jack Hunt Academy Team

SPORTING HIGHLIGHTS

We are delighted to share two brilliant football results this week:

- Our Girls' U16 football team showed real determination and teamwork in their 4–3 win against Spalding. This victory means they have secured a place in Round 3 of the English Schools Cup – a fantastic achievement!
- Our Sixth Form football team also produced an excellent performance, beating Hampton Gardens in a thrilling 5–4 match.
- Both teams represented the school with pride, resilience and great sportsmanship – well done to all involved!

Enrichment Clubs & Opportunities

At Jack Hunt, we are extremely proud of the wide variety of lunchtime and after-school clubs that give students a chance to try something new, develop a passion, or simply spend time with friends.

This week, we'd like to remind you of just some of the fantastic activities available:

- Lunchtime clubs: Lego Club, Gardening Club, Interfaith Club, Calm Colouring Club, Table Tennis, Board Games, Maths Homework Support, and a wide range of Music opportunities.
- After-school clubs: From team sports to drama, music, art, and subject-based support sessions – there really is something for everyone!

We encourage all students to get involved and make the most of these opportunities. A full, daily listing of enrichment clubs can be found on our school website here:
