

# THE JACK HUNT ACADEMY COMMUNITY UPDATE

*Keeping you informed, engaged, and connected with life at Jack Hunt Academy*

## Honouring, Celebrating, and Inspiring: This Week at JHA

### Spotlight on MFL

This week, we've been shining a light on Modern Foreign Languages over on our socials, celebrating the enthusiasm, creativity, and dedication of both our students and staff.

We were delighted to receive a Certificate of Participation from the organisers of the European Day of Languages Writing Competition, recognising the fantastic entries submitted by our students. The organisers shared an inspiring message:

"Communication is at the heart of a successful society. Learning how to use another language, discovering how languages work, and exploring the culture of other peoples are unique educational experiences."

We couldn't agree more! Our students' passion for languages continues to shine through in everything they do.

To celebrate Spotlight on MFL Day, we'd also like to recognise the brilliant team who make it all happen - our fantastic teachers of French, Spanish, and Urdu. Their commitment helps students gain confidence, broaden their horizons, and connect with cultures around the world.

### Sixth Form Open Evening

Yesterday evening, Thursday 13 November, we held our much-anticipated Sixth Form Open Evening. The event had a brilliant atmosphere, with engaging subject displays, student ambassadors, and insightful conversations with staff.

Applications are now open via our website for Year 11 students wishing to study with us next year.

It's been a busy and positive week across the school, with many of our students taking part in mock exams and preparing for upcoming assessments. We continue to support and encourage all our students to do their best and take pride in their progress.

Thank you, as always, for your continued support and involvement in our school community.

Have a restful weekend ahead after what's been a busy and rewarding week.

# SPORTING HIGHLIGHTS

A quiet week for fixtures this week, but plenty coming up go share with you in the coming days, which we share on our socials!  
Instead, enjoy our extra photos of the week

## REMINDERS

- Year 8 Parents' Information Evening – Thursday 20 November

A reminder that our Year 8 Parents' Information Evening will take place next week. Further details have been sent directly to parents and are also available on the News section of our school website.

- **On Monday our Parental Feedback Survey will go live - keep an eye out for the Link!**
- **Ski Trip 2027 – Austria**

We've had a fantastic response to our proposed ski trip to Austria at Easter 2027, and there are still a few places remaining!

The deadline for initial interest and deposit payments has been extended to Friday 21 November.

Full details, including costs and the suggested payment schedule, are available in the attached letter. Don't miss out on this exciting opportunity!
