Keeping you informed, engaged, and connected with life at Jack Hunt Academy

Jack Hunt Academy: A Busy Week as We Near the End of Term

It has been another lively and rewarding week here at Jack Hunt Academy. Our students continue to show great resilience, enthusiasm, and achievement across school life.

Careers and Future Pathways

This week we hosted our annual Careers Fair, which was extremely well attended by students, staff, and families.

We were delighted to welcome over 30 providers, including:

ARU, Oxford Brookes University, Lincoln University, Leicester University, Baker Perkins, MPCT, The Army, Cambridge Regional College, Peterborough and Stamford Colleges.

We were also thrilled to welcome three returning alumni, who shared their valuable experiences and supported the event alongside our education and industry representatives. It was inspiring for students to see where their pathways might lead.

Global Collaboration & Cultural Exchange

In alignment with our long-running Diversity Day project, now in its 17th year, we were excited to be involved in an international event hosted by a partner school in Pakistan.

The City School Darakhshan Campus organised "Creative Thrillathon 1.0," an inter-school cultural celebration held on Friday 21st November 2025, in honour of Universal Children's Day. The theme, "Fusion of Cultures through Diversity," set the tone for a vibrant evening attended by 500-600 students, families, and guests. Activities included: Art Zone, Cultural Performances, Cooking Arena, Global Food Street, Fun Alley.

Chief guests included Salman Alvi (Ghazal singer), Aliya Imam (actor), and Azher Hussain (singer). The event celebrated creativity, cultural identity, teamwork, and global connection, and we are proud to have been collaborators with them for this.

Although we've had our fair share of wet weather, it certainly hasn't dampened spirits! Our students continue to bring energy, positivity, and pride into everything they do.

Wishing you all a restful weekend,

Jack Hunt Academy

As always, we are incredibly proud of our students and grateful to the staff who make these experiences possible. Thank you for your continued support our school community.

Parents & Carers – We Really Need Your Voice!

Our Parent Survey is now live, and we are strongly encouraging all parents and carers to take part. Your feedback directly shapes the decisions we make, the support we provide, and the experience your child has here at Jack Hunt Academy.

We know everyone is busy, but completing the survey takes just a few minutes—and those few minutes genuinely make a lasting difference. The more responses we receive, the better we can understand what we're doing well and where we can continue to grow.

 **Please complete the survey using the link below:**

Thank you for taking the time to share your voice. Together, we can keep strengthening our school community.

Please take a moment to complete our ANNUAL PARENT SURVEY

We are inviting all families to complete this year's Parent Survey, and we would really value your participation. This is an important opportunity for you to share your feedback with us.

Your views help us understand what we are doing well and where we can make improvements at Jack Hunt Academy.

Since the last time you shared your views, we've made several important changes based directly on what you told us:

1. We've made it much clearer how you can best contact the school.
2. We've promoted the Form Tutor as the first point of contact for any queries or concerns.
3. We've changed the timing of Parent Information Evenings to better suit family schedules.
4. We've made it clear that we are a listening organisation, and we're proud to share that we have been awarded the **EduRio Regional Listening and Acting Award** – a recognition of our commitment to acting on your feedback.
